Did you know that you can safely dispose of medications at the Foothills Substation? Here are a few guidelines:

- We cannot accept liquids, inhalers, syringes or chemicals.
- If medications are in blister packs or pill bottles, the pills or capsules need to be deposited in ziplock plastic baggies.
- Our front office staff has baggies for drug disposal if you need one and are happy to assist you.
- Protect your pets, children or grandchildren from getting into medications that can harm them by safely disposing of them.

We are open Mondays through Fridays from 8:00 a.m. to 5:00 p.m. Questions? Call (505) 332-5240.

Be safe! Jill Garcia, Crime Prevention Specialist / ICPS NCPS – APD, Foothills Area Command
